

Public forum on Iron Deficiency anemia

Public forum on Iron Deficiency anemia was conducted on 25/11/2022 in Gynae OPD, Wing 2, second floor (New OPD Block) organised by department under the aegis of NARCHI, DELHI. The program was attended by Antenatal patients. The aim of the forum was to increase awareness about anemia among pregnant woman. The causes of anemia, its symptoms and how to prevent it by improving diet and taking iron tablets regularly were discussed. Anemia room was inaugurated by Dr V K Sharma, Additional MS, Dr Reena (HOD, Obs & Gynae) and Dr Manju Puri (Dir Proff, Obs & Gynae). The postgraduate students and senior residents actively participated in slogan and poster competition and winners were awarded by the dignitaries.
