

TOT ON PREVENTION OF STILLBIRTH- 10/12/22

NARCHI Delhi in collaboration with Directorate of Family Welfare, Govt of NCT of Delhi organised training of trainer's capacity building of health care providers in prevention of Stillbirth on 10.12.2022 from 2pm- 4pm at ME Hall SJ auditorium, Lady Hardinge Medical College, New Delhi. It was attended by 25 doctors from facilities across Delhi . A training tool kit was shared. They were updated on the definition, causes and classification of stillbirth through modules, appropriate suggestions from the attendees regarding interventions were noted down. The interventions done at LHMC using point of care quality improvement methodology was shared. The ways to improve the antepartum and intrapartum management were discussed. The TOT was very well appreciated and was a great success.

The participants were asked to organise a similar TOT at their own facility thereby disseminating the knowledge and awareness for stillbirth prevention.
