

## TOT- CANCER PREVENTION- 3/12/22

NARCHI Delhi in collaboration with Directorate of Family Welfare, Govt of NCT of Delhi organized training of trainers capacity building of health care providers in prevention of cervical and breast on 3.12.2022 from 2pm- 4pm at ME Hall SJ auditorium, Lady Hardinge Medical College, New Delhi. It was attended by 30 doctors from the 26 facilities across Delhi including Ayush and homeopathic doctors. A training tool kit was shared. They were updated on the recent guidelines of cervical and breast cancer screening followed by sharing of Training materials which included presentations, training simulators. The modules for the sensitization of frontline HCPs ASHA, ANM and nurses were shared. Appropriate suggestions from the attendees were noted down. The TOT was very well appreciated and was a great success.

The participants were asked to organise a similar TOT at their own facility thereby disseminating the knowledge and awareness for cervical and breast cancer prevention at the community level.
